

Fed up with stress ?

Are you looking for an original occupation that will take you out of routine and provide you with relaxation and release?

Try the drums !

I offer you the opportunity to discover this wonderful instrument, my passion I have been dedicated to for 30 years , at my home place in **Auderghem**, or to improve your groove, your technique, your suppleness, whatever style of music you are interested in.

From total beginners to advanced drummers, from 7 to 77 years old, men, women, children, teenagers, I teach in good humour, using a well-proven method, adapted to everyone's needs.

Flexible schedule according to your availability.

For more information, please call me : **0477 454 787**
